Baby what has she got
Baby what's she do
What is this power she has over you
How come you go to her

What keeps you running to her door
Ain't no way that she could love you more
How come you go to her

Ain't I got looks ain't I got the charm
Ain't I got this heart that's true
You said it was heaven in my arms
So how come they ain't holding you

It is cause I scare you?
Is it cause she don't?
Cause I could win your heart and you know she won't
How come you go to her
Ain't I got looks ain't I got the charm
Ain't I got this heart so true
You said it was heaven in your arms
So how come they ain't holding you

All of the good love
You could ever want
You could get right here darling
But you don't
How come you go to her (repeat twice)
