She'll take the painting in the hallway,  
The one she did in jr. high  
And that old lamp up in the attic,  
She'll need some light to study by.

She's had 18 years to get ready for this day  
She should be past the tears, she cries some anyway

Oh oh letting go  
There's nothing in the way now,  
Oh letting go, there's room enough to fly  
And even though, she's spent her whole life waiting,  
It's never easy letting go.

Mother sits down at the table  
So many things she'd like to do  
Spend more time out in the garden  
Now she can get those books read too.  
She's had 18 years to get ready for this day  
She should be past the tears, she cries some anyway.

Oh oh letting go  
There's nothing in the way now,  
Oh letting go, there's room enough to fly  
And even though, she's spent her whole life waiting,  
It's never easy letting go.

Oh oh letting go  
There's nothing in the way now,  
Oh letting go, there's room enough to fly  
And even though, she's spent her whole life waiting,  
It's never easy letting go.
