I can't go on, the feelin's gone, I don't know where
I reach down deep inside of my heart, there's nothing
there
I know I can't stay with him, still I don't want to leave
I wish I had something up my sleeve

I can't give in, and I can't win 'cause she won't fight
She tells me there's nothing wrong and nothing right
No matter what I offer, it's never what she needs
I wish I had something up my sleeve

I can't pretend
(She's sorry, I can tell)
I wish I could
(I know the feeling to well)
It's just no good
It looks like the spell is broken

My magic words
(It's not working anymore)
My sleight of hand
(We've been through it all before)
My song and dance
If I can make it through the door, it's over

I can't pretend
(She's sorry, I can tell)
I wish I could
(I know the feeling to well)
It's just no good
It looks like the spell is broken

I wish I had the power to make us both believe
I wish I had something up my sleeve
I wish I had something up my sleeve
