Watch out when they start to twist
Hold tight with a leather fist
That's what his daddy told him
How to ride the bull
There's a jingle in his jeans
Sore places in between
He's leaving me in Tennessee
With a push and a pull

Ten four,honey,come on back
Horse trainer on your Cadillac
I'm calling for the cowboy in the Coupe De Ville
Chug a lug up one side
Glide down the other
He's a lover of the other side of the hill

Turn up the radio don't think about rodeo
Don't think about roundup up in old Cheyenne
It's a crazy circuit yea and he still works it
Come on turn that sound up let's check the scan

Ten four,honey,come on back
Horse trainer on your Cadillac
I'm calling for the cowboy in the Coupe De Ville
Chug a lug up one side
Glide down the other
He's a lover of the other side of the hill
Bandana on a rear view mirror
Still wet from ear to ear
I'm praying he'll remember
What you ride that last one
Better make it fast one
Jump while he's moving
And just walk away

Ten four,honey,come on back
Horse trainer on your Cadillac
I'm calling for the cowboy in the Coupe De Ville
Chug a lug up one side
Glide down the other
He's a lover of the other side of the hill

Ten four,honey,come on back
Horse trainer on your Cadillac
I'm calling for the cowboy in the Coupe De Ville
Chug a lug up one side
Glide down the other
He's a lover of the other side of the hill
