(Verse)

Wake wake wake just a little
Skin and bones, oh so brittle
Clean clean clean my friends
Just to get all dirty again

(Verse)

Burn burn burn a little fire
Right in the eye of a loose-lip liar
Back back back a little higher
Rolling and clinching, hanging from a wire

(Chorus x2)

Burn burn burn, burn it down again
(Whoa, whoa)
Break break break, break it down again
(Whoa, whoa)

(Verse)

Please please please upon your knees
Beg for just relief
Bleed bleed bleed I see
When you choke whisper and wheeze

(Verse)

Cut cut cut just a little
Colored clipped, head full of riddles
Yea yea yea she looks around
She's always ours, she won't be found

(Chorus x2)

Burn burn burn, burn it down again
(Whoa, whoa)
Break break break, break it down again
(Whoa, whoa)

(Bridge)

It's all blood we're drinking
Close your eyes and let it all begin
Now it's time we're over
Go against a second mind

(Chorus x2)
Burn burn burn, burn it down again
(Whoa, whoa)
Break break break, break it down again
(Whoa, whoa)
