What do you think you did here kid?
You're living like some rich kid bitch
The scratch that makes you flinch
Tha scratch that you can't itch

What do you think you got done here man?
You're putting on a show
What do you think you got done here kid?
Did you reach your killing goal?

Shame, you got everything
You want everything
Shame, you need everything
You kill everything

Shame, you got everything
You want everything
Shame, you need everything
You kill everything

Oh Christ, look at them bleed
Oh, what makes this sick disease?
Oh God, they're on their hands and knees
Oh, look at me, I'm about to be free

Now when it's all over
Listen to this shit man
Now when it's all over
We won't care, we won't care

Shame, you got everything
You want everything
Shame, you need everything
You kill everything

Shame, you got everything
You want everything
Shame, you need everything
You kill everything

Shame
Shame, you need everything

You kill everything
Shame
Shame, you need everything
You kill everything
Shame
Shame
Shame
Shame
