I've been thinking about what you said  
It's been going around in my head  
I've been thinking about what you were  
It's a messy messed up blur

And when the con was over  
One thing I learned  
I think you'd be better off, if you were dead  
I think you'd be better off, if you were dead  
I think you'd be better off, if you were dead

Think your check might last a year?  
Ain't got no worries, ain't got no fear  
You change so fast, you're such a creep  
You make me feel so very cheap

And when the heist was over  
I guess, I got burned  
I think you'd be better off, if you were dead  
I think you'd be better off, if you were dead  
I think you'd be better off, if you were dead  
I think you'd be better off, if you were dead

If you were dead  
If you were dead
