Have you ever seen the stars at night and wondered,  
"Why so bright?"

Have you ever seen the sunset on a cloudy night and  
wondered, "Why tonight?"

And maybe there's just one time with you I want to  
remember for eternity.  
(For eternity.)

Photographs taken, like memories of you, they  
disappear.  
Colors of your eyes, they fade with time; they just can't  
stay clear.

Fades like a photograph...  
Just want to bring you back.

Have you ever seen the bottom of the ocean from a  
plane? What a sight.

Have you ever seen a sunrise in the snow cap  
mountains? The twilight.

And maybe there's just one time with you I want to  
remember for eternity.  
(For eternity)

Photographs taken, like memories of you, they  
disappear.  
Colors of your eyes, they fade with time; they just can't  
stay clear.

Photographs taken, like memories of you, they  
disappear.  
Colors of your eyes, they fade with time; they just can't  
stay clear.

Fades like a photograph...  
Just want to bring you back.
