Sing it to me
Sell the (?) card
Like a slow-mo movie
Untie the knot

You can't the change the world tonight
Or change the world you made

Bring it to me
Sell the story
Taste it tainted
You consume me

(Chorus)
It's gotta be right now
It's gotta be right (x4)

Crawling to us
Shining beauty
It's too hard to ruin
Stick it to me

You can't the change the world tonight
Or change the world you made

Bring it to me
Sell the story
Taste it tainted
You consume me

(Chorus)
It's gotta be right now
It's gotta be right (x4)

I wish it wasn't true
I really miss you too
Pretty little thing
Everything is stinging(?)
Burn me deep within'
Feeling me with shame
My heart goes cold

Bring it to me
Untie the knot
