Hey old man, got something for you  
If you change your mind  
Gonna make you take it  
Your mistake is something you own  
I'm the one who's gonna take it

Hey old man, got something for you  
Hey old man, got a real good tip  
Something's wrong and you don't know it

When will you learn?  
I'm not your boy  
You don't look back  
Why do I pick up your slack?

That's just fine, just leave it like that  
Bust your wallet while I break my back  
Save your life with your life support  
You know me, I'll pick up that

Hey old man, got something for you  
Hey old man, got a real good tip  
Something's wrong and I guess you've blown it  
Thanks a lot 'coz now I own it

When will you learn?  
I'm not your boy  
You don't look back  
Why do I pick up your slack?

When will you learn?  
I'm not your boy  
You don't look back  
Why do I pick up your slack?

Will she pay my debts?  
Got your picture in my hands  
God, you are so truly old  
Thanks a lot, my future is sold

When will you learn?  
I'm not your boy

When will you learn?  
I'm not your boy

Hey old man, got something for you  
Hey old man, got a real good tip  
Hey old man, got something for you  
Hey old man, got a real good tip
