"No Love"

Love don't love you.
Love just haunts your world.
Twenty years ago you tried to take my eyes.
Thought you loved the world and I believed the lies.

No love.
There's no love at all today.
No love.

Well we've crossed a million lines, and we've lost a million times.
And the disrespect we've earned is the disrespect we've learned.
And we don't give a damn about the love we lost.
We don't give a damn about the dreams we cost.
And on, and on, and on we've got no love...

Peace don't live in you.
These things are slowly beating through.
Twenty years ago began an odyssey; twenty years ago began the birth of me.

No love.
There's no love at all today.

No love.

Well we've crossed a million lines, and we've lost a million times.
And the disrespect we've earned is the disrespect we've learned.
And we don't give a damn about the love we lost.
We don't give a damn about the dreams we cost.
And on, and on, and on we've got no love...

I can see you laughing - you love harassing the pain you cause me.
I don't think you'll know.

Well we've crossed a million lines, and we've lost a million times.
And the disrespect we've earned is the disrespect

we've learned.
And we don't give a damn about the love we lost.
We don't give a damn about the dreams we cost.
And on, and on, and on we've got no love...
