Verse

Dark Sun rise from the night on the run  
IÂ've gone blind from the sight of the sun  
A heart full of truth Â'cause I paid my dues  
A head full of noise and something to lose

But she

Talks me down from the edge  
And she  
Talks me down from the ledge

Chorus

Surprise Surprise for you  
No lies just eyes for you  
Teach me all that you know  
So that I will bask in your glow

Verse

A light shoots out with a beam so bright  
Your angels dance for your delight  
YouÂ've got nothing at all but you hold on tight  
ItÂ's a dangerous world but you live life right

And she

Is the world to me  
And she  
Is the world to me

Chorus

Surprise Surprise for you  
No lies just eyes for you  
Teach me all that you know  
So that I will bask in your glow

And she

Is the world to me  
And she  
Is the world to me  
Yeeeeeah Woooooh

Chorus

Surprise Surprise for you  
No lies just eyes for you  
Teach me all that you know  
So that I will bask in your glow
