Clean

There ain't nobody that's clean  
Down in the basement  
Down here the saints turn mean

Love

Ain't nobody loving  
Down here your head stays low  
You can't see the skies above

Push me a little bit closer  
To the man in the mirror

The wake aftermath, sticks!  
(Can you forgive and forget?)  
The wake aftermath, hate!  
(Do you forgive or regret?)

Grow

Ain't nobody growing  
It's hard to remember hope  
Your standards just stay low

Change

Ain't nobody changing  
I don't want to stay this way  
I can't just stay deranged

Push me a little bit closer  
To the man in the mirror

The wake aftermath, sticks!  
(Can you forgive and forget?)  
The wake aftermath, hate!  
(Do you forgive or regret?)

The wake aftermath, sticks!  
(Can you forgive and forget?)  
The wake aftermath, hate!  
(Do you forgive or regret?)

Do you forgive and forget?

Do you forgive and forget?
