We hate it when you get what you wanted  
We hate it when your dreams come true  
We love it when you fall to your knees  
We love it when it cuts you and bleeds

You've got no reason to act so conceited  
We know the truth you just told as you cheated  
You've got no reason to act so conceited  
We know the truth you just told as you cheated

We hate it when you get what you wanted  
We hate it when your dreams come true  
We hate it when you get what you wanted  
We hate it when your dreams come true

Yeah!  
Sit yourself down  
Sit yourself down motherfucker  
Yeah!  
Sit yourself down  
Sit yourself down motherfucker

We wanted you to pick up the pieces  
We wanted you to regain control  
You kept us dying, face down and broken  
You left us there, to die in the cold

You've got no reason to act so conceited  
We know the truth you just told as you cheated  
You've got no reason to act so conceited  
We know the truth you just told as you cheated

We hate it when you get what you wanted  
We hate it when your dreams come true  
We hate it when you get what you wanted  
We hate it when your dreams come true

Yeah!  
Sit yourself down  
Sit yourself down motherfucker  
Yeah!

Sit yourself down  
Sit yourself down motherfucker

You just keep on taking  
What you're giving  
You walk away  
Yeah!  
Yeah!

We hate it when you get what you wanted  
We hate it when your dreams come true  
We hate it when you get what you wanted  
We hate it when your dreams come true

Yeah!  
Sit yourself down  
Sit yourself down motherfucker  
Yeah!  
Sit yourself down  
Sit yourself down motherfucker
