Do you really care?
It's not like it matters anyway
What's going to happen here
We'll laugh about her all day

Hey hey
What do you say
It doesn't really matter
Cause it's all the same
Hey hey
What do you say
Just gonna blame us anyway
Hey hey
What do you say
It doesn't really matter
Cause it's all the same
Hey hey
What do you say
Just gonna blame us anyway

Everything goes down
It's all gonna seem like a waste of time
Nothing is so special
'Cause they're just chemicals in our minds
Hey hey
What do you say

Hey hey
What do you say
It doesn't really matter
Cause it's all the same
Hey hey
What do you say
Just gonna blame us anyway
Hey hey
What do you say
It doesn't really matter
Cause it's all the same
Hey hey
What do you say
Just gonna blame us anyway

What do you say
What do you say
Tonight these favorite memories
We get to give our lost great sweet good byes
You just gotta mean it
You just gotta se it
How can we not believe
When we look straight in your eyes

Hey hey
What do you say
Hey hey
What do you say
Hey hey
What do you say

Hey hey
What do you say
It doesn't really matter
Cause it's all the same
Hey hey
What do you say
Just gonna blame us anyway
Hey hey
What do you say
It doesn't really matter
Cause it's all the same
Hey hey
What do you say
Just gonna blame us anyway

What do you say
What do you say
