Baby, stop  
Where' re you standing  
I need to talk to you  
Last night was really crazy  
And I wanna make it up to you  
And I, I didnt realize  
That I meant anything to you  
But now, that I know your feelings  
I need to get it through to you

(Chorus)  
Don't misunderstand me  
Cause I want you  
I see you on the floor  
Baby, I want You  
Don't misunderstand me  
Cause I want you  
I want you to want me too  
Like I want you

(verse)  
Tell me girl

Where do we go from here  
Ive been thinking about you  
And I see you everywhere  
And I, I'd be really surprised  
If I got to see you in the new morning  
I swear the feeling I get from you  
Makes it so damn hard to forget about the things  
you do  
And you, you seem think is cool  
To walk away from me, to misunderstand me

(chorus)

C-part:  
Let me dance with you baby,  
Wont you be my lady  
..Wont you be mine

(chorus)
