[Saviour:]

Walking through the desert of a strange land  
Repulsive creatures at my side  
Invisible dangers border my way  
The horizon shows the mountains of freedom  
I'm flying through the space of time  
But I don't know if I will find my way

I search, search but cannot find the way out of the mist  
I search, search but cannot find the end of my quest

[Wizard Queen & Saviour:]

We search, search but cannot find the way out of the  
mist  
We search, search but cannot find the end of our quest

[Saviour:]

I search for a place inside of me  
A place I hope and expect to find  
I'm sure it is in me but I don't know what it is

[Choirs:]

The island of dreams and hope

[Saviour:]

A place everybody carries inside

[Choirs:]

The island of dreams and hope

[Saviour:]

A place where we all, we all can be free

[Wizard Queen & Saviour:]

Wishes and fears inside of me...

[Saviour:]

I see a bottomless pit  
A neverending tunnel  
A room without a door  
And a blinding flash light

I climb up the mountains of wishes and fears  
But the peak is hidden in the mist  
I cannot see the aim of my search, it is so far away

I'm flying through space and time  
But I don't know if I will find my way

[Wizard Queen & Saviour:]  
Where shall we go, I see a light it's faraway  
What shall we do  
Where is the end, it seems so far  
But it is so near, look at yourself and see

[Saviour:]  
I look inside myself and see a place I searched to reach  
The powers inside of me are strong enough to go on

[Choirs:]  
The island of dreams and hope  
[Saviour:]  
A place everybody carries inside

[Choirs:]  
The island of dreams and hope  
[Saviour:]  
A place where we all, we all can be free

The island of dreams and hope  
The island of dreams and hope  
The island of dreams and hope
