Fithos Lusec Wecos Vinosec (succesion of

Wake from your sleep, my children

Your childhood years are gone  
Wake from your sleep, Children of Fate  
Your rest is gone

Arise  
Search  
Come to the true garden  
The garden of spring's truth

With fiery truth,  
Burn the evils of this world.  
With fiery truth,  
Light the darkness of the world.

Farewell, children  
The day has died.
