My only love

Deep in my soul  
Love so strong  
It takes control  
Now we both know  
The secrets bared  
The feelings show

Driven far apart  
I'll make a wish  
On a shooting star

There will come a day  
Somewhere far away  
In your arms I'll stay  
My only love  
Even though you're gone  
Love will still live on  
The feeling is so strong  
My only love  
My only love

Deep in my soul  
Love so strong  
It takes control  
Now we both know  
The secrets bared  
The feelings show

Driven far apart  
I'll make a wish  
On a shooting star

There will come a day  
Somewhere far away  
In your arms I'll stay  
My only love  
Even though you're gone  
Love will still live on  
The feeling is so strong

My only love  
My only love

There will come a day  
Somewhere far away  
In your arms I'll stay  
My only love  
You reach the deepest part  
Of the secrets of my heart  
I've known it from the start  
My only love  
My only love
