Final Fantasy

"Real Emotion English Version Koda Kumi"

What can I do for you?
What can I do for you? (yeah yeah)
What can I do for you? (Nah nah)
What can I do for you? I can hear you
What can I do for you? (Oh oh)
What can I do for you? (oh baby)
What can I do for you?

Never thought that I would wind up by myself
You got all my wild...
Imagination
But I hear, I am finding myself so lost
Everyday is a way, for me to turn back

All of the things I see
They're different from
What I had imagined they would be
Everything is different
Now I'm getting dizzy spells

It's real emotion
Shaking up the world
I'll never give it up
I don't ever want to lose, this far
No more than I can do but I am just too wrong
And in my heart I can hear you say
That I am not alone

What can I do for you?
What can I do for you?
What can I do for you? I can hear you
What can I do for you?
What can I do for you?
What can I do for you?

Never got to look back
I'm already here
Cause you gave me faith
I'm on my own now
If anything happens unexpectedly
I know you are there

To come and save me

What do I do now?
What can I do now?
For the truth that you have made me see
All that I can do now
Is believe in what I feel

It's real emotion
Shaking up the world
I'll be forever blessed
For you to stand by me
There, before
So many things you tell me
That's why I am here
You gave me strength and now I know
That I am not alone

It's real emotion
Shaking up the world
You're always here with me
So deep in my heart
And I, am near
Beside you where you need me
Since I'm finally strong
Just close your eyes and you'll see me here
Cause you are not alone

It's real emotion
Shaking up the world
I'll never give it up
I don't ever want to lose, this far
No more than I can do but I am just too wrong
And in my heart I can hear you say
That I am not alone
