crown myself the prince of buzz!

can't wait until you unsubscribe.
i'll be a lonely scribe... but
what if they like it?
and look us in a cannery
with your accordion
until we can our loves?

we can get along!
we can get along!
montreal might eat its young,
but montreal won't break us down

now i got a vcr if we put our hearts in 20,000 tiny jars they'd never leave their homes

i tried & tried & tried & tried & tried

to keep the crowds away !!!
