What can I do for you

What can I do for you
What can I do for you
What can I do for you

I can hear you

What can I do for you
What can I do for you
What can I do for you

Following the hazy borders of my heart
I can see a place
It's something like this
Every now and then I don't know what to do
Still I know that I can never go back

All the things I've seen
In those hazy dreams
Can't compare to what I'm seeing now
Everything's so different
That it brings me to my knees

And oh, I know, the world of real emotion has
surrounded me
I won't give into it
Now I know, that forward is the only way my heart can
go
I hear your voice calling out to me
"You'll never be alone."

What can I do for you
What can I do for you
What can I do for you
What can I do for you

I can hear you

And if, I find, the real without the motion has
surrounded me
And I can't go on

You are there
The moment that I close my eyes you comfort me
We are connected for all to see
I'll never be....

And oh, I know, the world of real emotion has
surrounded me
I won't give into it
Now, I know, that forward is the only way my heart can
go
I hear your voice calling out to me
"You'll never be alone"

What can I do for you
What can I do for you
What can I do for you

I can hear you

I can hear you
