"Tune Out The World"

Why are we
So consumed
By other peoples lives
Packed into
TV-shows
Or myspace sites

Tune me out
Out of this fucking world!
Tune me out
Out of this world!

So much bullshit
Forced into
Our sidetracked minds
Creates diversion
To keep us in line

Tune me out
Out of this fucking world!
Tune me out
Out of this world!

Tune out the fucking world
Glued to the television
Tune out the fucking world
So easy to fool...
Easy to fool...

Your own struggle
We all live and die alone
Against the odds
When competition is the norm
To question everthing is to stay alive!
Defy their lies or stay in line!

All fed up
With their lies!
All fed up
With their lies!
