A brilliant lie
Severed patience
Spectered isle
Whispers haunting drown me now
Don't roll over
Play dead for a while
Pierce the vein
Lipstick wrapped in cellophane
Fire in the photographs
Narcolepsy
Sell me out again

Daylight shines on me
Burning up the enemy
Just you wait and see
How much can you bleed?

Wake me up
Compensate this bloody tongue
Travesty from underground
Don't roll over alone or loaded gun

A brilliant lie
Severed patience
Spectered isle
Whispers haunting, drown me now
Narcolepsy
Sell me out again

Daylight shines on me
Burning up the enemy
Just you wait and see
How much can you bleed?
Daylight burnt my eyes
Searing the despised
I'll pray along everything is fine
Swallowing the lie

Do we have contact?
Don't you take mine
Do we have contact?
Don't you take mine

Do we have contact?
Don't you take mine
Do we have contact?
Don't you take mine

Daylight
Daylight
Daylight
Daylight
Daylight

Daylight shines on me
Burning up the enemy
Just you wait and see
How much can you bleed?
Daylight burnt my eyes
Searing the despised
I'll play along everything is fine
Swallowing the lie
