Can't you see that I wanna be
There with open arms
It's empty tonight and I'm all alone
Get me through this one
Do you notice I'm gone?
Where do you run to, so far away?

I want you to know that
I miss you, I miss you so
I want you to know that
I miss you, I miss you so

I'm writing again
These letters to you aren't much I know
But I'm not sleeping and you're not here
The thought stops my heart
Do you notice I'm gone?
Where do you run to, so far away?

I want you to know that
I miss you, I miss you so
I want you to know that
I miss you, I miss you so

I want you to know that
I miss you, I miss you so
I want you to know that
I miss you, I miss you so

No more looking
I have found home

I want you to know that
I miss you, I miss you so
I want you to know that
I miss you, I miss you so

I want you to know that
I miss you, I miss you so
I want you to know that
I miss you, I miss you so

I'm gone away
I'm gone away
