"Once Upon My Nightstand"

I'm sleeping to give my head a rest
I am so sick of these arguments
Alone, once again I'm on my own
Just need some time to myself or I'll explode

I know that this is all my fault
And one day I will get it right
But for now I sit here and remind myself
That everything will be okay

Your letter written on a napkin

Sits on my nightstand
And it reads:
This is...
This is the last time
That I will write to you
This is goodbye

I know that this is all my fault
And one day I will get it right
But for now I sit here and remind myself
That everything will be okay
