Quedate tarde, conmigo esta noche
(Yo te ensena roja)
En otra vida aqui es, donde muero yo
En tus ojos

Luna roja, (comparto mas) la vista
Nadie lo da como tu
En otra vida aqui es, donde muero yo
En tus ojos

Porque lloras mi amor?
El corazon es tuyo,
y yo naciera en tus ojos

Y dime porque, porque lloras mi amor?
El corazon es tuyo
y yo naciera en tus ojos

Y dime porque
Y dime porque
Y dime porque
Porque?
Porque?

(English)

Stay late, with me tonight,
(I will show you red)
In another life here's where, where I die
In your eyes

Red moon (share more of) the view,
No one gives it like you do,
In another life here's where, where I die
In your eyes

Why do you cry my love?
The heart is yours
And I would be born in your eyes

And tell me why

Why do you cry my love?
The heart is yours
And I would be born in your eyes

And tell me why
And tell me why
And tell me why
Why?
Why?
