I'm on my way back home  
but I've lost my way I've gone astray  
I'm on my way back home  
They'll let me in from the cold

'Cause I'm the new kid  
Like everybody  
'Cause everybody lives again  
I'm in my new skin  
Safe and knowing that one day we will meet again

Sheltered hill in my wings  
And I will not forget you're everything  
'Cause in your heart is where I live  
And that's alright you are alright

'Cause I'm the new kid  
Like everybody  
'Cause everybody lives again  
I'm in my new skin  
Safe and knowing that one day we will meet again

Said I'm alright  
And now  
Said I'm alright

'Cause I'm the new kid  
Like everybody  
'Cause everybody lives again  
I'm in my new skin  
Safe and knowing that one day we will meet again
