The storm is back tonight  
So how could I awake without you here  
Your pictures on the wall  
You haven't called but I'll wait for you

To her own reflection  
She says, "I will hold on"  
To her own reflection  
She says, "I will be strong"

The storm is letting up but it wont die  
If you weren't wrong was I  
You picture still remains  
But I wonder are you still the same

To her own reflection  
She says, "I will hold on"  
To her own reflection  
She says, "I will be strong"

Am I loosing you  
Am I loosing you

I'm waiting, I've waited  
Till it's over, it's over now  
I'm waiting, I've waited  
Till it's over, it's over now

I'm waiting, I've waited  
Till it's over, it's over now  
I'm waiting, I've waited  
Till it's over, it's over now

To her own reflection  
She says, "I will hold on"  
To her own reflection  
She says, "I will be strong"

To her own reflection  
She says, "I will hold on"  
To her own reflection  
She says, "I will be strong"
