Album: What It Is To Burn

the storm is back tonight
so how could i
awake without you here
your pictures on the wall you haven't called
but i'll wait for you
to her own reflection, she says
i will hold on
to her own reflection, she says
i will be strong
the storm is letting up
but it wont die
if you weren't wrong was i
you picture still remians
but i wonder
are you still the same
to her own reflection, she says
i will hold on
to her own reflection, she says
i will be strong
am i loosing you
am i loosing you
i'm waiting
i've waited till it's over
it's over now
i'm waiting
i've waited till it's over
it's over now (i will hold on)
i'm waiting
i've waited till it's over
it's over now (i will remain)
to her own reflection, she says
i will hold on
to her own reflection, she says
i will be strong
to her own reflection, she says (i'm waiting i've waited
till it's over now)
