{ D } BABY BABY DON'T LOOK BACK Fine Young
Cannibals
{ 2 phrase } { B - oh }
Never had the good things only money could buy
I drive my car but I haven't got a car to drive
Never had a holiday in a tropical sun
Good times look rough, they're never going to come
Oh I know that time's are bad { B-A ohs }
And they make you want to cry
Don't be sad
We'll get by
Baby baby don't look back
It won't do no good
Baby baby don't look back
I'm going to leave and I think that you should
When I spent my life ((in a place like this))
On the first bus out ((I'm going to get myself a lift))
If you understand ((well that's alright))
If you want to go ((it's got to be the night))
Oh I know that time's are bad { B-A ohs }
And it makes you want to cry
Don't feel sad
We'll get by
Baby baby don't look back
It won't do no good
Baby baby don't look back
I'm going to leave and I think that you should
{ guitar solo on chorus }
{ 1 phrase }
Never had the good things ((only money could buy))
I drive my car but ((I haven't got a car to drive))
Oh I know that time's are bad { B-A ohs }
And they make you want you to cry
Don't be sad
We'll get by
Baby baby don't look back
It won't do no good
Baby baby don't look back
I'm going to leave and I think that you should
Baby baby don't look back
It won't do no good

Baby baby don't look back
I'm going to leave and I think that you should
Baby baby don't look back, oh no ya
{ ad lib, fade }
{ END }
