"Hug Every Friend"

I knew you were cool
I saw it in your hair back on the first day of school
And i hate music too
I hate the bands and every song they do
You know i mean it, yes i do
And i rearranged my life
And i'm the one to blame if we don't ever meet again
I know i'm a fool
I made a mess of everything i do
I need to hear from you
And i hate music too
I hate the bands and every song they do
You know i mean it, yes i do
Hug every friend, hug every friend...
It's hard to do...
