You left...our home
Didn't see eye to eye
No matter how hard I try
I live...on my own
Still I don't seem to find
Any kind of peace of mind
Chorus
And I'm still looking for you...
Have you seen my baby?
That's all I want to do...
Have you seen her lately?
Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now
Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now
My friends...at work
They tell me I should get away
Maybe take a holiday
They know...I hurt
Everyday, I get in late
Find it hard to concentrate
Chorus
And I'm still looking for you...
Have you seen my baby?
That's all I want to do...
Have you seen her lately?
Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now
Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now
Can't sleep...don't eat
Sitting in a Smokey bar
Wondering where the hell you are

I watch...TV
Thrown away another day
Sitting in the Caf all day
Chorus
Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now
Since you've been gone
Since you've been gone now
Since you've been gone
Gone so long now
