{ D } BABY BABY DON'T LOOK BACK Fine Young  
Cannibals  
{ 2 phrase } { B - oh }  
Never had the good things only money could buy  
I drive my car but I haven't got a car to drive  
Never had a holiday in a tropical sun  
Good times look rough, they're never going to come  
Oh I know that time's are bad { B-A ohs }  
and they make you want to cry  
Don't be sad  
We'll get by  
Baby baby don't look back  
It won't do no good  
Baby baby don't look back  
I'm going to leave and I think that you should  
When I spent my life (( in a place like this ))  
On the first bus out (( I'm going to get myself a lift ))  
If you understand (( well that's alright ))  
If you want to go (( it's got to be the night ))  
Oh I know that time's are bad { B-A ohs }  
and it makes you want to cry  
Don't feel sad  
We'll get by  
Baby baby don't look back  
It won't do no good  
  
Baby baby don't look back  
I'm going to leave and I think that you should  
{ guitar solo on chorus }  
{ 1 phrase }  
Never had the good things (( only money could buy ))  
I drive my car but (( I haven't got a car to drive ))

Don't be sad  
We'll get by  
Baby baby don't look back  
It won't do no good  
Baby baby don't look back  
I'm going to leave and I think that you should  
Baby baby don't look back  
It won't do no good

Baby baby don't look back  
I'm going to leave and I think that you should  
Baby baby don't look back, oh no ya  
{ ad lib, fade }  
{ END }
