Another Day...  
Another pride...  
Somebody died  
long before their time

I couldn't care more  
I couldn't care less  
If it's not happening next door  
You couldn't care more

Always a war being fought  
many die before they are  
when this happens abroad  
don't give it a second thought

I couldn't care more  
I couldn't care less  
If it's not happening next door

You couldn't care more

I get so tired  
spiraled on that madness (??)  
I'm all right  
minding my own business  
trouble it will  
and it's not that I don't care  
it happens all the time  
and it's never going to change your life

I couldn't care more  
I couldn't care less  
If it's not happening next door  
You couldn't care more
