You're going away you stay from hell
Don't be stupid no I'm not upset
Have you got all you need?
Enough to eat and a book to read?

I hope you have a wonderful time
Here's a stamp just drop me a line
If you meet somebody that you like
Remember who you left behind

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

It's a risk we've got to take
Though it could prove a grave mistake
Honesty when love may break
The very least it will just change its shape

And by the end maybe it's to late
An by the end maybe I will hate you
For leaving me on the ground

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

Leaving me on the ground
