You spurn my natural emotions

You make me feel I'm dirt and I'm hurt.
And if I cause a commotion I'll only end up losing
and that's worse.

Ever fallen in love with someone

Ever fallen in love
in love with someone

Ever fallen in love
in love with someone
You shouldn't have fallen in love with.

I can't see much of the future
unless we find out what

just what's to blame.
And we won't be together much longer

Unless we realize that we're all the same.
That's what I'm saying!
Ever fallen in love with someone
...

You spurn my natural emotions
...
Ever fallen in love with someone
...

Did you ever fall in love? Did you ever fall in love?
Did you ever
did you ever
did you ever?
Did you ever fall in love? Did you ever fall in love?
Did you ever
did you ever
did you ever?
