When I'm in trouble or out of step  
If my balance has been upset  
Oh there's a feeling I can't accept  
There's one thing that helps me to forget

Wonder what I'm thinking  
Wonder why I'm drinking  
But it's plain to see  
I'm not the man I used to be

If life were easy and didn't ask,  
didn't tease me or take things back  
I'd just start to understand,  
what makes me the man I am

Wonder what I'm thinking  
Wonder why I'm drinking  
But it's plain to see  
I'm not the man I used to be

Oh it's plain and it's a shame  
I'm not the man I used to be

I've lost dreams that won't come back  
memories fading fast  
I should save the ones I have  
What's the use, most of them are bad

Wonder what I'm thinking  
Wonder why I'm drinking  
But it's plain to see  
I'm not the man I used to be

Oh it's plain and it's a shame  
I can't explain  
But I'm not the man I used to be

Oh it's plain and it's a shame  
I can't explain  
But I'm not the man I used to be
