You left...our home  
Didn't see eye to eye  
No matter how hard I try  
I live...on my own  
Still I don't seem to find  
Any kind of peace of mind  
Chorus  
And I'm still looking for you...  
Have you seen my baby?  
That's all I want to do...  
Have you seen her lately?  
Since you've been gone  
Since you've been gone now  
Since you've been gone  
Gone so long now  
Since you've been gone  
Since you've been gone now  
Since you've been gone  
Gone so long now  
My friends...at work  
They tell me I should get away  
Maybe take a holiday  
They know...I hurt  
Everyday, I get in late  
Find it hard to concentrate  
Chorus  
And I'm still looking for you...  
Have you seen my baby?  
That's all I want to do...  
Have you seen her lately?  
Since you've been gone  
Since you've been gone now  
Since you've been gone  
Gone so long now  
Since you've been gone  
Since you've been gone now  
Since you've been gone  
Gone so long now  
Can't sleep...don't eat  
Sitting in a Smokey bar  
Wondering where the hell you are  
I watch...TV

Thrown away another day  
Sitting in the Caf all day  
Chorus  
Since you've been gone  
Since you've been gone now  
Since you've been gone  
Gone so long now  
Since you've been gone  
Since you've been gone now  
Since you've been gone  
Gone so long now
