THE GOOD THING Fine Young Cannibals

{ 4 phrase }

The one good thing in my life

Has gone away and I don't want to know why

She's gone away

I don't know where

Somewhere I can't follow her

The one good thing is taking too long

(Hey hey hey ooh ooh-ooh ooh...)

My back was turned and she was gone

(Hey hey hey)

((Good thing)), where have you gone

(Goo goobie doo)

((My good thing)), you've been gone too long (Good thing)

(Goo goo goobie doo)

People say I should fall dead

New friend tomorrow, don't get upset

People say she's doing fine

Look at your friend and see her sometime

That's not or why I'm after what I want to hear

(Hey hey hey ooh ooh-ooh ooh...)

I want to hear, she wants me near

(Hey hey hey)

((Good thing)), where have you gone (Goo goobie doo)

((My good thing)), you've been gone too ong (Good thing)

(Goo goo doobie doo Good thing)

{ piano solo }

Then one day she came back

I was so happy that I didn't act

Morning came into my room

(Hey hey hey ooh ooh-ooh ooh...)

God I've been dreaming like a fool

(Hey hey hey)

((Good thing)), my my my good thing (goo goobie goo)

My my my ((good thing)), where have you gone (good thing)

(Goo goo goobie doo)

My ((good thing)), hee hee my good thing (goo goobie doo)

My ((good thing)) girl, where have you gone (good thing)

(Goo goo goobie doo good thing)

It's been so long, good God girl (goo goobie doo good thing)

Good God girl, good God girl (good thing)

(Goo goo goobie doo good thing)

{ fade }
