I hold on so nervously to me and my drink I wish it was cooling me but as far has not been good, it's been shitty and I feel awkward so I should this club has got to be the most pretentious thing. Since I thought you and me well I am imagining a dark lit place or your place or my place

Well I'm not paralyzed but, I seem to be struck by you I want to make you move because you're standing still If your body matches what your eyes can do you'll probably move right through me on my way to you

I hold out for one more drink before I think I'm looking to desperately
But so far has not been fun I should just stay home if only one thing really means one. This club will hopefully be closed in three weeks that would be cool with me well I'm still imagining a dark lit place or your place or my place

Well I'm not paralyzed but, I seem to be struck by you I want to make you move because you're standing still If your body matches what your eyes can do you'll probably move right through me on my way to you
