"Consolation Day"

I can't lose anything,
So what's left is mine,
And I win this time.

Can I call you up,
And speak soft to you?
The words filter through,
We're through.

Consolation day.
I'll make up a way.
I'll know now, just what to say.

And I'll get away from you.
Wait and I'll be begging.
And I'll get away from you.
I'll pull you down.
I'll pull you down.

I saw it all again.
Fading memory became clear to me.
I try, but I can't say,
That I'm yours for good,
Support me, you said you would.

And I'll get away from you.
Wait and I'll be begging.
And I'll get away from you.
I'll pull you down.
I'll pull you down.

Awake and dreaming,
But I'm only sleeping.
Awake and dreaming,
But I'm only sleeping.

And I'll get away from you.
Wait and I'll be begging.
And I'll get away from you.
I'll pull you down.
I'll pull you down.

Awake and dreaming,
But I'm only sleeping.
Awake and dreaming,
But I'm only sleeping.

Awake.
Awake.
