I'm bound to wonder where
All of your glitter's going,
But I'm so far from knowing,
And none of my instincts showing.

Can't get,
Can't get it all
I'm screaming from outside in,
Tell me where I've been

There's nowhere to return to out there,
I think I've lost my way,

But that's just not news today,
Because the story's old
The black and white,
Have gone to grey.
(x2)

And you were right,
'Cuz I've finally lost my way

Well I'm bound to wonder where,
All of your glitter's going,
But I'm so far from knowing,
And none of my instincts are showing.

Kicking, Kicking, I'm screaming from outside in,
Tell me where I've been
There's nowhere to return to out there,
I think I've lost my way,

But that's just not news today,
Because the story's old,
The black and white,
Have gone to grey
(x2)

And you were right
'Cuz, I've finally lost my way

Finally lost my way

Yes, I've finally lost my way
I've finally lost my
Yes, I've finally my way, yeah

The story's old,
The black and white,
Have gone to grey
And you where right

'cuz, I've finally lost my way

The story's old,
The black and white,
Have gone to grey
(x3)

And you where right...
'Cuz, I've finally lost my way...
Yes, I've finally lost my way...
I've finally lost my way...
Finally lost my way...
Yes, I've finally lost my way, yeah...
I've finally lost my way...
Yes, I've finally lost my way...
Hey...
