Move Faster Lyrics

Full of sorrow and pain  
I waited for the day  
I was born to love

Some by  
There is a place for us to go  
Your strength  
Is in your hands and a beautiful soul

We had to move faster, faster  
To know how we be love  
We need to move faster, faster  
To know we must go  
Cause a world it's in your hands  
Cause a world it's in your hands  
Cause a world it's in your hands  
Cause a world it's in your hands

It's a beauty to change  
Everything that's wrong  
Being right is wrong

Somewhere  
We know there is someone who'll say

For sure  
Is fun enough to enjoy another day

We had to move faster, faster  
To find how true we are  
We need to move faster, faster  
Cause everyone else's tired  
Cause a world it's in your hands  
Cause a world it's in your hands  
Cause a world it's in your hands  
Cause a world it's in your hands

We need to move faster, faster (faster, faster)  
Faster, faster  
Move faster

To know we must go  
Cause a world it's in your hands  
Cause a world it's in your hands  
Cause a world it's in your hands  
Cause a world it's in your hands
