From a battle I've come
To a battle I ride
Blazing up to the sky
Chains of fate
Hold a fiery stride
I'll see you again when I die

High and mighty alone we are kings
Whirlwinds of fire we ride
Providence brought us the crown and the ring
Covered with blood and our pride

Heroes await me
My enemies ride fast
Knowing not this ride's their last
Saddle my horse
As I drink my last ale
Bowstring and steel will prevail

High and mighty alone we are kings
Whirlwinds of fire we ride
Providence brought us the crown and the ring
Covered with blood and our pride

Odin I await thee
Your true son am I
I hail you now as I die
I pledge you my sword
And to no man I kneel
Ours is the kingdom of steel

High and mighty alone we are kings
Whirlwinds of fire we ride
Providence brought us the crown and the ring
Covered with blood and our pride
