I'm surprised to see your suitcase at the door
Remember the good times don't you want some more
It's not a perfect love but I'll defend it
Cause I believe that's what God intended

We got love too good to throw away

It's not over between you and me
It's not over don't want to be free

What has been joined by God by God
Let no man put asunder
Oh no don't throw it away
Don't throw it away

I can't hear those words spoken, understood
Making bonds through love, the times are better good
I'm convinced that what is meant to be will be
Even the stars declare that you belong to me

We got love too good to throw away

It's not over between you and me
It's not over don't want to be free

What has been joined by God by God
Let no man put asunder
Oh no don't throw it away
Don't throw it away

Hmmm, oh, oh, oh yeah

[Repeat 2 (2x)]

(It's not over)
Said I need you
And I want you
I got to have you every day in my dog gone life
(It's not over)
It's not over, no, no, no
(It's not over)

(It's not over)
(It's not over)
Said I need you
And I want you
I got to have you every day in my dog gone life
(It's not over)
It's not over, no, no, no
(It's not over)
(It's not over)
Baby, baby, baby, oh, hmm, hmm

See, one thing I know about me and you
That no matter what we go through baby
I know you will be coming back someday
Because I know deep inside you feel the same
Because it's not over
It's not over, no, no, between you and me
It's not over, hmmm na
Say ooh baby, ooh baby
Come on y'all, come on y'all
You know what I'm saying
Because it's not over
It's not over, no, no, between you and me
Baby, baby, baby
It's not over
