Where do we go from here?

Where do we go?

And is it real or just something we think we know?

Where are we going now?

Where do we go?

'Cuse if it's the same as yesterday

You know I'm out

Just so you know

Because

Because

Our paths, they cross

Yesterday was hard on all of us

On all of us

Who can we trust from here?

Who can we trust?

Are you real or something from wanderlust

Who can you trust my dear, sweet flower?

Who can you trust?

From cradle to grave

From ashes to ashes, from dust to dust

Because

Because

Our paths, they crossed

Yesterday was hard on all of us

On all of us

Where do we go from here?

Where do we go?

We've got nothing we can trust

And nothing we can sell

That's for sure

How do we get out?
How do we move around with all these eyes on us
Tell you what, you go first
Almost like it's kind of rehearsed but, It's not, no

Because
Because
Our paths, they cross
Yesterday was hard on all of us
On all of us
