You gotta choose, you gotta choose  
whose going home with you tonite  
is it me, is it me, i gotta know where we go from here

red amber green  
amber red

you gotta choose, you gotta choose  
where it all ends and where it all begins  
is it me, is it me, or is this whole game just about who  
wins  
red amber green  
amber red

you gotta choose, you gotta choose  
is it left or is it right  
is it me, is it me, all the lights are against s tonite

red amber green  
amber red

you gotta choose  
which way we go, i'm completely lost
