Her chant, a hot desire
She adds fuel to the fire
By now I have no self possession

Outside a pure attraction
Inside a cruel intention
She's worse than anybody else

"Come to me"
I'm drowning, I'm drowning
"Follow me"
I'm drowning, I'm drowning

Hearing tiny voices inside my head
Confusing words that I can't understand
"I'll never let you go
I'll never let you go away from me"
"I'll never let you go
I'll never let you go away
from these hypnotic chains"

Just like my pretty siren
You tease me with your lips
Your tongue repeats her lullaby

"Come to me"
I'm drowning, I'm drowning
"Follow me"
I'm drowning, I'm drowning

Hearing tiny voices inside my head
Confusing words that I can't understand
"I'll never let you go
I'll never let you go away from me"
"I'll never let you go
I'll never let you go away
from these hypnotic chains"

Maybe you are stronger than me now
But the fairy tale you wrote is fading out

You make me so angry now!

(I'm getting off my chest)
You make me so angry now!
(I'm getting off my chest)

Shut up!
