I feel so fine, I
I feel so good
I feel so hot, yeah
Yeah, yeah

I had to touch you
I feel so good, yeah

You move so fine, you
You move so wild I, I, I
I need a lover, I
I'm floating on air
You

You feel so fine, you
You move so loose, yeah
Yeah, yeah
I need a lover
I feel so fine, I
I feel so good
I feel so hot, yeah
Yeah, yeah

I had to touch you
I'm floating on air
I
I feel so good yeah

You move so fine
You move so wild I, I, I
I need a lover
I'm floating on air
You

You feel so fine, you
You move so loose, yeah
Yeah, yeah
I need a lover
